"If you were to ask me how to plan the perfect wedding, I would have to say attend the Laramie Bridal Expo. Everyone that I needed to meet to help me with my wedding day was there. It was fantastic to talk with each business owner."

## Plan Your Wedding All In One Day

"I am so glad that I attended the Bridal Expo because it was there that I met Anne. She made all the difference in the world at my wedding. The photographs she created that day bring tears to my eyes everytime I open my albums. I'm so glad I attended the Expo, otherwise I would have had no idea!"

"The Laramie Bridal Expo was incredible Jake and I won a three day honey moon and I met the most amazing photographer, Anne from Ludwig Photography. If you are wondering is it worth my time to go to the Expo. Definitely, yes."
